

CALTRANS CONSTRUCTION NOTICE

Foothill Freeway (I-210) Pavement Rehabilitation Project

BERKSHIRE PLACE LONG TERM RAMP CLOSURE

LA CAÑADA FLINTRIDGE - The California Department of Transportation (Caltrans) will close the westbound Foothill Freeway (I-210) Berkshire Place off-ramp beginning **September 25**, as part of a pavement rehabilitation construction project. The ramp closures will remain in effect through November, are weather permitting or subject to change. Detour signs will be posted. Motorists are advised to plan ahead and use other ramps in the area.

Flatiron West, Inc. is the contractor of this \$148.5 million project. Once the project is completed in 2018, the new surface will provide a smoother drive for motorists, reduce time required for maintenance and minimize the need for further lane closures.

For additional information please contact Caltrans Public Affairs at (213) 897-3656.
