

Flintridge Prep Cashless Dining Account Set-Up

FAQ about Cashless Accounts

Your Flintridge Prep ID card is integrated with a declining balance account (similar to a debit card).

To begin, you may deposit money into your account online at www.mykidsspending.com. If you already have an account set up, you can stop by the cafeteria in person and add funds to your card with cash or a check made out to 'Flintridge Preparatory School', and with 'Dining Services' in the memo. Checks must be dropped off in person at the kitchen, not mailed to Flintridge Prep. Money may also be added to your account online by going to www.mykidsspending.com. Once you've made a deposit, your account balance will decline with each purchase you make. Your balance even rolls over year-to-year.

How do I set up an account?

You will need to have an email on file and a Flintridge Prep ID card. If you have an email on file and a Flintridge Prep ID card, you will be sent a user name and password through the MyKidsSpending registration email. This information will give you access to your account at www.mykidsspending.com where you can deposit money and check your balances.

If we do not have your email on file, you will need to send an email to accountsetup@odin-inc.com and provide your Flintridge Prep ID name and email address. Odin will then send your password to you, at which time you can access your account at www.mykidsspending.com.

I'm new to Flintridge Prep, How do I set up an account?

New Flintridge Prep Students, Faculty & Staff can set up an account once they receive their ID card and provide us with an email address.

I had a cashless account last school year. Is it still active?

Yes. If you are a returning Flintridge Prep Student, Faculty or Staff member and had a cashless account last year your account is still active and can be used until new ID cards are issued after picture day (September 23). Your account will automatically be transferred onto the new ID card.
